Block Party Privacy Policy

This privacy policy outlines how the Google developer account abizzzaaar collects, uses, and protects your personal information. By using any of our products or services, you agree to the terms outlined in this policy.

Information We Collect

We don't store any information on our servers. We only store information in your local storage, so you can select which websites to block.

How We Use Your Information

We don't store any of your information.

Data Security

We don't store any of your information, so security is not a concern.

Data Retention

We don't store any of your information.

Updates to This Policy

We may update this privacy policy from time to time. We will notify you of any material changes to this policy by posting the updated policy on our website or by contacting you directly.

Contact Us

If you have any questions or concerns about this privacy policy or our data practices, please contact us at abizzzaaar@gmail.com.
